APPROVED CRICKET BALLS

Kookaburra VSDCA Branded Regulation (all XIs)

Kookaburra VSDCA Branded Club Match (3rd & 4th XIs only)

THE SPIRIT OF THE GAME / PLAYER BEHAVIOUR

Cricket is a game that owes much of its unique appeal to the fact that it is expected to be played not only within its laws, but also within the **SPIRIT OF THE GAME**. Any action, which is seen to abuse this spirit, causes injury to the game itself. **The major responsibility for ensuring the spirit of fair play rests with the Captains.**

1. There are two Laws, which place the responsibility for the team's conduct firmly on the Captain.

Responsibilities of Captains

The Captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

Players' Conduct

In the event of any player failing to comply with the instructions of an umpire, criticising his decisions by word or action, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall, in the first place, report the matter to the other umpire and to the player's Captain requesting the latter to take action.

2. Fair and Unfair Play

According to the Laws the umpires are the sole judges of Fair and Unfair Play. The umpires may intervene at any time and it is the responsibility of the Captain to take action where required.

3. The umpires are authorised to intervene in cases of:-

- *Time wasting
- *Damaging the pitch.
- *Intimidatory bowling.
- *Tampering with the ball.
- *Any other action that they feel to be unfair.

4. The Spirit of the Game involves RESPECT for:-

- *Your opponents.
- *Your own Captain and team.
- *The role of the umpire.
- *The game's traditional values.

5. It is against the Spirit of the Game:-

To question an umpire's decision by word or gesture.

To direct abusive language towards an opponent or umpire.

Indulge in cheating or in any sharp practice, e.g.

- (a) appeal, knowing that the batsman is not out.
- (b) advance towards an umpire in an aggressive manner when appealing.
- (c) seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

6. Violence

There is no place for any act of violence on the field of play.

7. Overall Conduct

Players, Captains and umpires together set the tone for the conduct of a cricket match, and every player is expected to make an important contribution to this.

The Laws of Cricket 2017 Code (3rd Edition - 2022) shall apply, except for Laws 25.8, 27.4 & 28.6 and also as modified by these Pennant Rules.

RULE 2: CLUB TERRITORIES - COMMON TERRITORY

All areas of Victoria shall be common territory between all clubs.

RULE 3: PROGRAMME OF GAMES

3.1 All elevens of the clubs shall respectively compete in such Programme of Pennant Games and play on such grounds and under such conditions as may be determined by the Board.

3.2 The Board shall arrange the Programmes of Pennant, Finals Games and grounds upon which such games shall be played and it may, if necessary, alter the Programme of Pennant Games and play on such grounds and under such conditions as may be determined by the Board.

Note: Qualifying Finals, Semi-Finals and Group Finals will normally be played on the home grounds of the competing teams which finished higher on the Premiership Ladder than their opponents at the end of the "Home and Away" games. The higher elevens of the club taking preference.

3.3 Upon the joint application in writing of the competing clubs, the Board may fix days and times other than herein provided for commencing and continuing any match. Provided always that in the event of there being no play by any of the clubs on either of the allotted days, the Board shall have power to allot another day or days, or part thereof, to play games which are not played.

3.4 Any club wishing to change their ground must make application in writing to the VSDCA Board by June 30th each year outlining the reasons for the change of ground and providing information around facilities, both on and off field, and ground dimensions of the proposed ground. The Board decision in these matters shall be final and binding.

RULE 5: POINTS AND PERCENTAGES

- | | |
|--|---|
| Outright win if the point winning team leads on the first innings..... | 10 points |
| Outright win where the first innings is a tie | 8 points |
| Outright win if the winning team is behind on the first innings | 6 points |

| Forfeit..... | Maximum points in that Group, Grade and Round |
- 5.2 If 2 or more teams are equal, in points, their relative positions shall be deemed by percentages.
- 5.3 For the purpose of ascertaining percentages, the following system shall be adopted:
The batting average of a team shall be obtained by dividing the total number of runs scored by the total number of wickets lost. The batting average against such team shall be obtained by dividing the total number of runs scored against it by the total number of wickets taken.
The former shall be divided by the latter. The team having the highest quotient shall be considered to have the better performance.
- 5.4 For the purpose of ascertaining such averages, a team shall be deemed to have lost the number of wickets which have actually fallen or been taken.
- 5.5 **(This rule only applies when the entire Pennant Competition is scheduled as all One Day games).**
When the entire Pennant Competition is only of **One Day Games**, percentages shall be replaced by the net run rate (NRR).
- (a) NRR shall be calculated using the formula below:

$$\text{NRR} = (A \div B) \text{ minus } (C \div D)$$

Where:

A = the runs scored by the team

B = the overs faced by the team

C = the runs conceded by the team

D = the overs bowled by the team

- (b) If a team is bowled out, the overs faced shall be replaced with the overs entitlement

RULE 6: FINAL SIX (1st & 2nd XIs) & FINAL FOUR (3rd & 4th XIs)

6.1.1 Qualifying Finals (1st & 2nd XIs only)

The six leading teams in each group that have obtained the highest number of points at the completion of the 'Programme of Games' shall compete in a Qualifying Final round of games, first playing sixth, second playing fifth and third playing fourth on the list. Should any of the Qualifying Final games not reach a decision on the first innings, or a tie results, the winning team shall be the higher ranked team. For ranking purposes, the team will be ranked as if it had won the game.

6.1.2 (a) Semi-Finals (1st & 2nd XIs)

The Qualifying round winners ranked in order relative to their positions at the completion of the 'Programme of Games' and the highest ranked losing team as fourth in each group, shall compete in a Semi-Final round, first playing fourth and second playing third. Should any of the Semi-Final games not reach a decision on the first innings, or a tie results, the winning team shall be the higher ranked team in that match. For ranking purposes, the team will be ranked as if it had won the game.

(b) Semi-Finals (3rd & 4th XIs)

The four leading teams in each group that have obtained the highest number of points at the completion of the 'Programme of Games' shall compete in a Semi-Final round of games, with first playing fourth, and second playing third.

6.1.3 Group Final

The winners of the Semi-Finals in each group shall play in a Group Final for the Group Premiership. Should any of the Group Final games not reach a decision or a tie results, the higher ranked team in that match shall be declared the winner.

6.2 Second elevens of the clubs shall compete under conditions similar to the first elevens. Fourth elevens of the clubs shall compete under conditions similar to the third elevens.

6.3 The clubs winning the Group Finals shall be the "Group Premiers". Each Group Premier in the first and second elevens shall be awarded a Premiership Pennant and 15 Badges and/or Medallions. Each Group Premier in the third and fourth elevens shall be awarded a Premiership Pennant or Plaque and 15 Medallions.

6.4 Any prize money made available shall be allocated by the Board.

RULE 7: ELIGIBILITY OF PLAYERS

7.1 Each player taking part in the "Programme of Pennant Games" shall play with such one of the clubs as player is qualified or permitted to play with under the Incorporation Rules of the Board. **No player unless permitted to do so by the Board **may play with more than one club in any one season.** The onus is on clubs to ensure that all players who participate in Pennant Games fully comply with the Pennant Rules.**

7.2.1 Any player who played with a VSDCA club during the previous season may be transferred to another VSDCA club provided player obtains the approval of his former Club and of the Board.

7.2.2 Transfer Procedure

- (a) This approval is obtained using the online procedure in the Play HQ system.
The club gaining the services of the player requiring the transfer is responsible for initiating the process via the Play HQ system.
- (b) The ex-club has 5 days from the submission of the electronic transfer request to approve or deny the transfer.
- (c) If the appropriate action is not completed at the expiration of 7 days, the Board may approve the transfer automatically.

Any club playing a player not possessing the requisite qualification may be declared to have lost the match or matches in which any such player took part in.

The Investigation Committee shall award match points to the opposition club and determine if club or player be subject to a further penalty. The decision of the Investigation Committee will be final.

7.3.1 A player transferring from interstate must obtain a transfer via the Play HQ system.

7.3.2 Transfer of a player from the Cricket Victoria Premier Cricket 1st & 2nd XI Competition of the current season shall cease on December 31 each year except in the case of a Cricket Victoria Premier Cricket player who is returning to the VSDCA club for which player last played VSDCA Pennant 1st, 2nd, 3rd or 4th XI, and then only play with the permission of the Board.

7.3.3 A fill-in is a non-registered player within the current season being played who is used to fill-in for **1 game only** where a club experiences a shortage of players in any 'home & away' game. They are entered via the admin or e-scoring portal.

Play HQ allows clubs to include fill-in players into a team line-up. Clubs should note that when a fill-in player is included in a team it does not create a registered participate profile, so no checks are undertaken to determine whether the player is suspended. Also, they are not covered under the National Insurance Scheme, their performances in the game are not included in their career profile and the games played will not be recorded against any participant record and not be counted for Finals eligibility (Note: This will not apply if the fill-in player subsequently has become a registered player of the club).

No fill-in player can participate in any 1st XI game and can only play **one home & away game** as a fill-in player in 2nd, 3rd, 4th and Sunday Competitions. A fill-in player cannot participate in any Finals games unless the player subsequently has become a registered player at the club.

7.4 Where games are scheduled concurrently, a player having played with any eleven shall not be eligible to play with another eleven in the same round of Pennant Games without first obtaining permission from the Board.

7.5 A player having played with an eleven of his club during the current season shall **not be permitted to play with an eleven more than one grade lower in the player's following match** except with the permission of the Board.

The Board may grant permission subject to any conditions it sees fit. Unless the Board's permission states otherwise, such conditions shall apply until the player plays in a higher grade or the Board amends or removes the conditions.

Should a club or player fail to comply with the provisions of this clause then, for the purposes of P.R.7.9, the team in which he played will be declared to have lost the match. The awarding of points to be allotted to the opposing club shall be left to the discretion of the Investigation Committee.

7.6 Representative Player Replacement

7.6.1 Definition: For the purpose of this rule a representative player is a player selected to play, or act as a manager or other official, in a match controlled by or under the sanction of Cricket Australia (CA) or Cricket Victoria (CV) or ICC Developing Nation Affiliate Countries.

7.6.2 Application: A representative player named as a member of a team in a VSDCA match of which a day of play coincides with a scheduled day or a match as defined in P.R.7.6.1 may replace or be replaced by a player approved by the Board.

7.6.3 Lower XI. The principle and provisions of the foregoing shall apply to allow consequential replacement and retention in the 2nd, 3rd & 4th XIs.

7.6.4 Where the representative player's club is aware of that player's representative commitments prior to the start of the relevant VSDCA match, the replacement player shall be nominated on the team sheet prior to the toss. This also applies for consequential replacement players in the lower XIs.

7.6.5 Where the representative player is selected for representative duties after the commencement of the relevant VSDCA match, that player's club shall inform the CEO and the opposition club of the proposed replacement player(s) within 24 hours of becoming aware of the selection. The opposition club shall have the right to refer any proposed replacement player(s) to the Cricket Operations Manager who will assess the suitability of the replacement player(s) with a strict interpretation of "like for like" with respect to the type of player nominated, and may impose restrictions on the replacement player's ability to bat or bowl.

7.7 Finals Qualification

7.7.1 No player shall play in the Finals games unless they shall have played in at least four games with VSDCA 1st, 2nd, 3rd or 4th XI of that club.

Note: The term 'Finals games' means all Qualifying Finals, Semi-Finals and Group Finals games.

7.7.2 A player shall not be eligible to play in the Finals games with the lower teams unless at least HALF the number of 'Home and Away' Pennant Games in which player has participated were those of the lower teams. Provided that where both the first and second elevens of a club are competing in the Finals games, a first eleven player may play with the second eleven and continue to play with that eleven or a higher eleven for the remaining Finals. The same principle shall apply to the second, third and fourth elevens.

Should a player who plays in a lower eleven under this provision return to a higher eleven and that higher eleven side subsequently loses, that player shall not be allowed to return to the lower eleven unless otherwise previously qualified.

7.7.3 A player acting as a substitute in any Finals match must have played at least one 'Home and Away' Pennant Game in that eleven or a lower eleven.

7.8 After the receipt of a notice from Cricket Victoria or any Affiliated Association of the suspension or disqualification of any player or member, no such player or member

shall be allowed to play in VSDCA games until further notice is received that such suspension or disqualification has been served, lifted or removed.

- 7.9 Any club playing a player not possessing the requisite qualification may be declared to have lost the match or games in which any such player took part and any such club and/or any such player or players offending shall be dealt with by the Investigation Committee. The awarding of points to be allotted to the opposing club shall be left to the discretion of the Investigation Committee.

7.10 **PLAYER POINTS (1st XI)**

- (a) The Board applies a points system whereby each 1st XI player is allocated points in accordance with the Player Points Guidelines [Refer to pages 62–65].
- (b) Aggregate of player points shall be determined by the Board and advised to the clubs in February each year.
- (c) Clubs must not play a player in their 1st XI with ‘zero points’. If they do so, this player will be deemed an ‘ineligible player’ and club will be subject to penalty as outlined in (e) below.
- (d) Using the template provided by the Association, clubs have until 8.00 pm on the Wednesday prior to the commencement of a Round to lodge with the Board a request for a new ‘Player Points Assessment’ for any player selected in their 1st XI with zero points.

The Board reserves the right not to process such requests if the information recorded on the template is incomplete or lodgement is not in accordance with the timeline stated.

(e) **Enforcement**

Should any club knowingly make a false or incorrect declaration regarding Player Points allocations or play a player in their 1st XI with zero points, the club may will be penalised by VSDCA Board in line with the penalties set out below.

Penalties may include (without limitation):

- (i) Loss of points in current season
- (ii) Suspension from Finals in current season
- (iii) Player suspension
- (iv) Club fined
- (v) Any other penalty determined by the Board

7.11 **Salary Cap**

Member clubs are bound by all terms and conditions as outlined in the VSDCA Salary Cap Agreement

RULE 8: PROFESSIONAL PLAYERS

- 8.1 Each club can nominate a Senior Coach (Playing/Non-Playing) each season.
- 8.2 A member of a club’s coaching panel must hold a Cricket Victoria accreditation (or other State, Territory, Overseas equivalent) to at least Level One. Any club failing to comply with this Rule shall be fined an amount to be determined by the board.

RULE 9: GENERAL PROVISIONS

- 9.1 A team which has less than 7 players in attendance, by 20 minutes after the time appointed for the match to commence, shall forfeit the match and the Investigation Committee shall have the power to award the points and/or impose on the forfeiting club a fine of a sum as determined by that Committee. However, in the case of 3rd and 4th eleven fixtures only, the competing clubs may agree to delay the scheduled commencement time for a match by up to 30 minutes when excessive travel requirements may cause genuine inconvenience. The times applicable to the match will be adjusted proportionally and it is the responsibility of the requesting club to notify the appointed umpires in advance. All arrangements and notifications must be completed by no later than the Wednesday prior to the commencement of the round.
- 9.2 **The Toss**
The tossing of the coin for choice of innings should take place a minimum of 30 minutes prior to the commencement of play, or earlier if umpires and both Captains are in attendance.
Each club shall ensure that 11 players (1st XI) and 12 players (2nd, 3rd & 4th XI's) are allocated to teams (with a Captain nominated) in Play HQ by 8.00 pm on the night prior to the commencement of a round. Late team changes can be made up to the toss of the coin.
Refer also P.R.9.9.7 Underage Players.
Once the toss of the coin has been completed, no alteration shall be made to the teams without the consent of the opposing Captain (under advice to Umpires) excepting that where a second toss has been invoked as per PR 16.25; and clubs have the option to alter the allocation of players to teams in Play HQ.
- 9.3 **All XI's**
(a) The bowling side shall be required to bowl a minimum number of overs equal with the amount of on-field batting time, hereinafter called **“Actual Batting Time”**.
(b) The required overs shall be the number listed on the **Calculator Table** for the amount of **“Actual Batting Time”**.
- 9.4 If, for any reason, play does not commence or recommence within twenty (20) minutes of the time appointed during the match the umpires shall, on appeal, declare the match lost by the club unable, or refusing, to proceed with the match. Points shall be awarded by the Investigation Committee.
- 9.5 If sightscreens are available, and a batting side is wishing to use them, it shall be that side's responsibility to provide for any required adjustments, and to ensure there are no consequent delays in play.
- 9.6 **Umpires Unavailable: 5 Runs Penalty Variation**
- 9.6.1 If only one officially approved umpire is appointed to a match the umpire shall have sole responsibility for the awarding of all 5 runs penalties, under The Laws of Cricket 2017 Code (3rd Edition - 2022).
- 9.6.2 If no officially approved umpires are appointed all provisions in the Laws for the award of 5 Runs Penalties, except in Law 28, shall be disregarded.

- 9.7 Boundaries
- Law 19 of The Laws of Cricket 2017 Code (3rd Edition - 2022) shall apply.
 - If an unauthorised person enters the playing area and handles the ball, the umpire at the bowler's end shall be the sole judge of whether the boundary allowance should be scored, the ball treated as still in play, or called "dead ball", if a batsman is liable to be put out as a result of the unauthorised person handling the ball.
- 9.8 Special Conditions 2nd, 3rd & 4th XI - Pennant and all Finals games.**
- 9.8.1 Second, third and fourth eleven teams may nominate up to 12 players prior to the toss.

- (b) A bowler who has bowled a spell of less than the maximum spell permitted (according to their age group) may resume bowling prior to the completion of the break but this shall be considered an extension of the same spell and the maximum spell limit for the age of player shall apply. Following the completion of the extended spell, the normal break between spells as in (a) shall apply.
- (c) If a change of innings occurs, and a bowler commences bowling in the new innings within 60 minutes of bowling in the previous innings, this shall be considered an extension of the same spell and the maximum spell limit and daily limits for that age of player shall still apply.
- (d) If any break in play or the end of a day's play results in an over not being completed then that part of the over bowled after the break shall constitute one over for the purpose of calculating the bowler's spell and daily limit. 9.9.9 Penalties. All breaches will be followed up by the Board and be subject to investigation by the Independent Investigation Committee for failure to abide by the playing condition. When breaches occur, fines, suspensions or loss of match points are all distinct possibilities.

RULE 10: COVERS

- 10.1 Covering of pitches shall be compulsory for all first and second eleven Pennant Games and all Final Games. For third and fourth eleven Pennant Games only, covering of pitches is optional, provided that any club wishing to use covers must, prior to the start of each season, seek approval in writing from the Board to use covers. Once such approval is granted, the club must continue to use the covers for the remainder of season in accordance with this Rule.  - 10.1.4 That on any match-day the cover is to be removed, at the discretion of the Curator or Ground Manager, with regards to prevailing weather conditions. In good conditions the cover must be removed no later than 8.30 am on match-day.
The cover must be re-laid on the morning of any playing day, should weather conditions necessitate.
 - 10.1.5 That with the exceptions of P.R.10.1.3 and P.R.10.1.4 above, at all other times clubs or the Curator shall be permitted to use the cover at their discretion in order to maximise the opportunities for play to take place, and obtain the best possible playing conditions for each match day.

- 10.1.6 The umpires shall assume sole control of the covers sixty minutes prior to the scheduled starting time for play and make all decisions regarding the use of covers after this time, including directing both competing clubs to assist with cover management.
- 10.1.7 After play has commenced the covers may be used as directed by the umpires. Should the umpires decide that the cover is used during the course of the match then it will be the responsibility of both competing teams to assist with the labour required. - 11.1 Determining Fitness for Play
 - 11.1.1 If the Board has not cancelled all games the fitness of conditions shall be determined as below.
 - 11.1.2 The umpires shall be the sole judges of the fitness of the ground, weather and light for play.
 - 11.1.3 Fitness for Play
 - (a) It is solely for the umpires together to decide whether either conditions of ground, weather or light or exceptional circumstances mean that it would be dangerous or unreasonable for play to take place. Conditions shall not be regarded as either dangerous or unreasonable merely because they are not ideal.
 - (b) Conditions shall be regarded as dangerous if there is actual and foreseeable risk to the safety of any player or umpire.
 - (c) Conditions shall be regarded as unreasonable if, although posing no risk to safety, it would not be sensible for play to proceed.
 - 11.1.4 Suspension of Play in Dangerous or Unreasonable Conditions
 - (a) All references to ground include the pitch.
 - (b) If at any time the umpires together agree that conditions of ground, weather or light, or any other circumstances are dangerous or unreasonable, they shall immediately suspend play, or not allow play to start or to recommence.
 - (c) When there is a suspension of play it is the responsibility of the umpires to monitor conditions. They shall make inspections as often as appropriate, unaccompanied by players or officials. Immediately the umpires together agree that the conditions are no longer dangerous or unreasonable they shall call upon players to resume play.

11.2 Fitness of Ground

The umpires shall consider the ground as unfit for play when it is so wet or slippery as to deprive the bowlers of a reasonable foothold, the fieldsmen of the power of free movement, or the batsmen of the ability to play their strokes or to run between the wickets. Play should NOT be suspended merely because the grass and the ball are wet and slippery.

If the umpires deem the playing area safe, it is acceptable to allow play to continue, start or resume in light rain.

RULE 12: GROUND AND PITCH

12.1 Preparation – rolling, watering, sweeping

Except as provided for in PR 12.2, the grounds may be rolled, watered or mown prior to each day's play, and the pitch may be rolled and/or swept before the commencement of each day's play.

In games to be played on consecutive days, the pitch may be rolled (the length time pitch is rolled to be at the discretion of the curator) swept and/or mown to provide pitch conditions as similar as is reasonably possible to the previous day's play at any time after the completion of the first day's play and prior to the commencement of play on the following day. Under no circumstances is the pitch to be watered or the ground to be mown throughout the game.

Except that water, from a hand-held container only, may be used to assist in the repair of foot holes made by the bowler in his delivery stride. Under no circumstances shall water be used in front of the popping crease.

12.2 Timing of declaration

If a side so desires, it may, through its Captain or acting Captain, declare its innings closed before the time of commencing play on any day or during an adjournment, but it must do so in sufficient time to enable the other side to roll.

12.3 The pitch shall be prepared to a minimum width of **3.05 metres (10 feet)**, and marked in accordance with The Laws of Cricket 2017 Code (3rd Edition - 2022) .

12.4 Tampered pitch

12.5 It is an insurance requirement that all boundary markers (lines, hats, ropes, etc.) must be at least 3 metres away from any off-field hazards including but not limited to fencing, concrete perimeters, trees or solid structures which may cause injuries to fielders.

No player, support staff, club official or spectator should enter this area throughout the game. Umpires have the authority to halt games and request people to vacate this area. Non-compliance will result in the offending club being fined in accordance with the Board's Fine Schedule.

RULE 13: USE OF BALLS

- 13.1 New approved balls of the same brand shall be provided by the **home club** for the commencement of the first innings of each team.
- 13.2 In **any eleven**, should a new ball be used for the second innings, the team requiring it shall supply an approved ball.
- 13.3 Umpires, if requested by either Captain, shall decide if another ball is necessary and if they so decide then the rejected ball shall be replaced by a satisfactory ball, worn approximately to the same extent as the rejected ball.
- 13.4 In any eleven, the fielding side shall have the option to take a new ball after 80 overs and shall supply an approved ball.
- Where, after 80 overs, a new ball is taken in the first innings, of any team, then this ball, or a new approved ball, must be used for the second innings of that team.

The game shall become a One-Day game on the second day under conditions in P.R.17.
- (b) If all play is abandoned by the Board, or if no play takes place on the first day prior to 2.30 pm, the game shall become a One-Day game on the second day under conditions in P.R.17.
- (c) Should there be interruption/s to play on either day, up to 60 minutes may be recouped by extending the finish time up to 6.35pm
- (d) For clarification, an interruption is when the umpires determine that conditions under P.R.11 or any other exceptional circumstance requires a suspension of play that causes a loss of playing time. A change of innings is not deemed to be an interruption in play (i.e. if a side is dismissed within the additional playing time but the minimum overs required for the day's play are not completed then play must continue until the minimum overs requirement has been completed for the day).

- (e) Play shall continue past the cessation time applying until completion of the minimum overs requirement, but if an interruption occurs or continues after 6:35pm play shall not be resumed.
- (f) On a day when there has been no loss of playing time or change of innings, play shall not end at the cessation time unless a minimum of 80 overs has been bowled.
- (g) The umpire(s) shall advise both Captains of the minimum number of overs to be bowled at the commencement of each innings, along with any adjustments in overs entitlements during play on Day 1 and / or Day 2 for lost playing time due to interruptions.

16.3 **Interruptions Day 2**

(a) Interruptions Not Exceeding 60 Minutes

If playing time not exceeding 60 minutes is lost on Day 2, the number of overs to be bowled for that day shall not be reduced. The scheduled finishing time for the game on Day 2 shall be extended up to 6:35 pm.

If the side batting first resumes its innings on Day 2, and it is not dismissed or declared, it shall be compulsory closed after 80 Overs.

If side batting second resumes its innings on Day 2, and is not dismissed or declared, it shall be entitled to receive a minimum entitlement of 80 overs (based on maximum available batting time of 280 minutes).

If side batting second commences its innings on Day 2, and is not dismissed or declared, and side batting first was compulsory closed, the side batting second shall be entitled to receive the equal number of overs as side batting first.

The game shall continue up to or past 6.35 pm until either the minimum entitlement or compulsory overs required to be bowled for the day are completed, but if interrupted at or after that time, play shall not resume, and game shall end.

The innings of the side, which bats first, if not otherwise terminated, shall be compulsory closed on completion of 80 overs, and there shall be no further play on Day 1.

If the innings of the side batting first is compulsory closed, the side batting second, if it is not dismissed, shall be entitled to bat for the same number of overs as bowled to the side batting first and its innings shall then be compulsory closed.

If the innings of the side batting first has been completed, other than by compulsory closure, the side batting second, if it has not been dismissed, shall be entitled to bat for the bowling of the number of overs as received by the team batting first or the number of overs equal with the Actual Batting Time available until the scheduled or re-scheduled time for the game to cease (Refer Calculator Table P.R.16.11) whichever is the greater. These overs are the minimum requirement.

Note: The minimum over requirement shall be made as two calculations if the first innings of the side batting second commences on Day 1 (i.e. a number of overs that must be completed by the end of Day 1 plus the over requirement for Day 2 = the total minimum over requirement).

16.4.2 The Over

If an over can be started before the time fixed for play to cease, it shall be started, and time shall not be called until the over is finished, irrespective of whether a wicket and/or wickets fall or not, unless weather or light conditions prevent further play prior to the scheduled or re-scheduled cessation time, or unless an innings is compulsory closed during the over.

16.4.3 Over Rates - Minimum over requirements

In each game the bowling side shall be required to bowl a minimum number of overs commensurate with the amount of on-field batting time hereinafter referred to as 'Actual Batting Time'.

At any time during a Two-Day game either side may declare its innings closed, provided the declaration is made not later than 15 minutes before the scheduled end of the day's play, or after the completion of the 75th over.

16.4.6 Over Rates - Minimum over requirements

In each match the bowling side shall be required to bowl a minimum number of overs commensurate with the amount of on-field batting time hereinafter referred to as 'Actual Batting Time'. If the side batting first is dismissed within 15 minutes of the scheduled end of the day's play (5.35 pm) or after the completion of the 75th over, there shall be no further play on the first day, except where the side batting second elects to commence its innings.

16.4.8 Second Innings of Either Side

If both sides complete a first innings and either Captain wishes to continue game, play shall continue up to / or until scheduled close of play, unless ended earlier by agreement of both Captains. Minimum entitlement overs for either sides second innings, shall be commensurate with Actual Batting Time available from start of each innings until scheduled or re-scheduled close of play as calculated per Calculator Table P.R.16.11.

16.4.9 End of Game

By agreement of both Captains, a game may end on the second day at any time after a result has been achieved and/or there is no likelihood of any further result.

(c) Win on First Innings

If the second innings of the team batting second remains uncompleted and has not played to a further result, the game will be decided on the first innings. The winner will be the side scoring the greater number of first innings runs, irrespective of wickets lost PROVIDED ALWAYS that if the side batting second has scored the lesser number of runs, it has received at least the same overs entitlement as the side batting first.

(d) Tie on First Innings

If each side has scored an equal number of first innings runs and the game has not played to a further result, it shall be a tie on the first innings.

(e) Drawn Game

The game shall be Drawn if none of the results in P.R.16.4.9(a)-(d) occur (and the game is not forfeited).

16.5 **Afternoon Tea:**

Should the afternoon tea adjournment of 25 minutes be exceeded, the offending club shall be fined \$100.

16.6 **Drinks:**

Drinks may be arranged by the captains prior to the start of play but no drinks may be taken within 65 minutes of the time fixed for stumps to be drawn. Players are to remain on the field for the duration of the drinks break, and can only leave the field after first seeking the permission of the Umpire. However, in cases of extreme heat, the umpires may permit an additional drink break within that period. Umpires shall also allow additional drinks at any time during the day's play to ensure players remain hydrated. These individual drinks should only be taken between overs and must not unduly stop play.

16.7 **Fast Short Pitched Deliveries Limit**

16.7.1 **Fast Short Pitched Limit Per Over**

- (a) A bowler shall be limited to 2 fast short pitched deliveries per over.

A fast short pitched ball is defined as one which passes or would have passed above the shoulder height of the striker standing upright at the crease.

16.7.2 Fast Short Pitched Limit Delivery Not Within Striker's Reach

Any fast short pitched delivery, not being a No Ball otherwise, which passes so high that it is not sufficiently within the striker's reach for it to be hit by the bat with a normal cricket stroke, shall be called and signalled Wide by either umpire. Such a delivery shall be counted in the fast short pitched limit of two allowed in P.R.16.7.1.

16.8 Dangerous and Unfair Bowling: Slow High Full Pitched Deliveries

The dangerous and unfair bowling provisions of Law 41.7 (The Laws of Cricket 2017 Code (3rd Edition - 2022)) shall apply except that a slow high full pitched delivery above waist height of an upright striker, if considered not to have been deliberately so bowled, shall be called and signalled "No Ball" only. No cautionary and other action shall be taken.

16.9 PENALTIES:

16.9.1 Bowling Side: Penalty Assessment

If a bowling side bowls less than the number of overs required under P.R.16.4.4, the umpires may assess the number of overs which they consider should have been bowled, and shall advise this assessment in their game Report.

The CEO shall maintain a register of reported sides (and shall advise such clubs after they have reached 5 then 10 penalty overs respectively). Should the permitted allowance for the season of 15 overs be exceeded, a penalty of 0.1 points for each penalty over shall be deducted from that side's total game points. A team that reaches 16 Penalty Overs shall immediately have 1.6 points (16×0.1) deducted plus 0.1 for any additional Penalty Overs accrued throughout the remainder of the season.

16.9.2 Allowances for On-field Delays

The umpires are the sole judge of allowances for on-field delays. In determining penalties, the Umpires shall take into consideration the actual time for injuries requiring treatment or assistance to leave the field, cricket ball replacement, time taken for drinks breaks (to a maximum of 3 minutes), adverse weather conditions, other on-field delays unrelated to time wasting and any wilful time wasting for which the batting side is to be penalised under P.R. 16.9.3.

16.9.3 Batting Side: Penalty Assessment

A batting side shall be penalised at the same rate per over as in P.R.16.9.1 for the number of overs relative to the amount of batting time wilfully wasted by it in the game.

16.9.4 Where Penalties Are Not Applicable

Penalties will not apply:

- in an innings where a side is dismissed, declares its innings closed or where the side batting second passes the required score, prior to the specified finishing time.
- when play has commenced on any day and is subsequently abandoned for the day resulting in the loss of playing time exceeding 60 minutes.
- when the captains agree to end the game under P.R.16.4.7 and P.R.16.4.8.

16.9.5 Record of Delays in Play

The umpires shall keep a record of all delays or interruptions in a loss of playing time and shall be the sole judges of apportionment of penalty overs.

16.9.6 Notification of Infringements and Penalties

Within 15 minutes after the conclusion of each day's play, the captain or representative from each of the competing clubs must consult the umpires to ascertain if there are any player reports, over penalties or any other infringements of the rules. The number of overs incurring a penalty and the apportionment to each side shall be noted in the space provided on the Umpires' Game Report Form.

16.10 Disregarding of Toss

If the captains have tossed preliminary to a game scheduled to be a Two-Day fixture, but no play takes place on the first appointed day owing to weather conditions, cancelled under P.R.16.1, or for other reasons, and the game becomes a one-day fixture, the captains shall toss again on the second day.

RULE 17: ONE-DAY GAMES (All XIs)

17.1 Hours of Play and Interval

17.1.1 Start of Play (unless altered under P.R.3)

Commence 12.30 pm (All XIs)

17.1.2 Interval: Time and Length

- (a) If no scheduled playing time is lost, an interval of 25 minutes (all XIs) shall be taken at the end of the innings of the side batting first.
- (b) If 60 minutes or more is lost, the interval shall be reduced to 15 minutes (all XIs).

17.1.3 Cessation of Play

Play shall cease as provided in P.R.17.3

17.2 First Batting Side: Compulsory Closure Overs

17.2.1 Uninterrupted Innings

If not interrupted nor earlier terminated, the innings of the side batting first shall be compulsory closed on completion of 45 overs (1st, 2nd, 3rd XIs) 40 overs (4th XIs) based on anticipated batting times of 170 minutes for 45 overs and 155 minutes for 40 overs.

17.2.2 Delayed or Interrupted Innings

- (a) In the event of a delayed or interrupted match a minimum number of 25 overs per side shall constitute a match. In this case the calculations, subsequent over reductions and consequential actions detailed below shall determine the result of the match.
- (b) If the first side's innings is delayed or interrupted the umpires shall reduce the maximum overs by one for each full seven minutes of the aggregate time lost. If the reduction calculation results in fewer than 25 overs the match shall be abandoned.
- (c) Where 25 completed overs or more have been bowled and an interruption occurs, compulsory closure of the first side's innings shall occur when the reduced overs calculated in (a) equate with the number bowled.
- (d) The side batting second, if there is no further time lost in its innings, shall be entitled to receive the same reduced number, including any part over, as in (a) or (c).
- (e) The second side's overs shall not be adjusted unless adverse conditions reduce the batting time from the end of the interval until 6.35 pm (All XIs) to less than that listed in the Table at PR 17.12.2 for those overs. In such case the overs for reduced time shall be its entitlement, even if less than 25 overs.
- (f) If play ceases in accordance with PR 17.3(e) the overs already bowled to the second side shall be its entitlement for the purposes of this rule.

17.3 Ending of Second Side's Innings and Match

Play shall cease immediately one of the following circumstances applies if:

- (a) the score of the opposite side is passed.
- (b) the requirement of overs under P.R.17.3 is completed.

- (c) the innings ends before completion of its required overs.
- (d) the number of overs in (b) is less than 25, and both captains agree that a point result is no longer possible.
- (e) the players are off the field at or leave after 6.35 pm (All XIs).

17.4 **Declarations**

Neither side shall be permitted to declare its innings closed.

17.5 **Results of Games**

17.5.1 Win or Tie: Second Side's Overs Entitlement Received.

If the second batting side receives its entitlement of overs under 17.2 or is dismissed in fewer overs, the winner shall be the side with the higher actual score and if the scores are equal the match shall be a tie.

17.5.2 Win or Tie: Fewer Overs for Second Side

If a win result has not been reached already and the completed overs received or to be received by the second batting side are fewer than its entitlement under 17.2, a number of runs as calculated in 17.5.4 shall be the first side's score which, subject to the provision for a draw in 17.5.3, must be exceeded by the second side for a win. If score are equal the match is tied.

17.5.3 Drawn Match

If the side batting second receives fewer than 25 completed overs and no other result has been obtained, the match shall be drawn.

17.5.4 Calculation of Deciding Score

(a) Interrupted Matches – Calculation of the Target Score

If, due to suspension of play after the start of the Match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum 25 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current Duckworth-Lewis -Stern method calculated by the Competition Management System Live Scoring System.

(b) Prematurely Terminated Matches

If the innings of the side batting second is suspended (with at least 25 overs bowled) and it is not possible for the Match to be resumed, the match will be decided by comparison with the par score determined at the instant of the suspension by the Duckworth-Lewis-Stern method. If the score is equal to the par score, the Match is a tie. Otherwise, the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the par score.

17.6 Over Limits for Bowlers

17.6.1 Limit Per Bowler

A bowler shall not deliver more than one fifth of the maximum of overs permitted for an uninterrupted innings but where the maximum is reduced for either innings because of interruptions the limit shall be one fifth of the adjusted maximum except for any bowler who has already exceeded the reduced limit.

17.6.2 Limit Reached or Exceeded

No further deliveries shall be made by a bowler who has reached, or exceeded, a re-calculated limit, except to complete an over previously commenced by the bowler.

17.6.3 Fractional Adjustments

Where the re-calculation of a bowler's limit results in a fraction the limit shall be raised to the next higher number for as many bowlers as is necessary to absorb the balance in whole overs.

17.6.4 Part-Over Incapacity or Suspension

A part of an over bowled under the provisions of Law 17.8 The Laws of Cricket 2017 Code (3rd Edition - 2022) shall count as one full over in the limit of each bowler concerned in that over.

17.7 Inner Field Area Restriction (All XIs)

17.7.1 Area of Restriction

The restricted area shall be the area around the pitch within semi-circles, one at each end, and straight lines, one at each side.

17.7.2 Semi-Circles and Line Measurements

The radius of each semi-circle shall be 27.5 metres from the centre stump and the extremities of its base shall meet with the straight lines of pitch length, at points in line with the bowling crease.

Any club failing to comply with this Rule shall be fined an amount to be determined by the Board.

17.7.3 Marking of Area Limits

The limits of the restricted area shall be clearly marked by a white line or by white discs. The discs shall be in place approximately 2 metres apart with one disc at each extremity of the bases of the semi-circles.

17.8 Fielding Restrictions

17.8.1 On-Side Fieldsmen (All XIs)

At the instant of the bowler's delivery not more than 2 fieldsmen shall be behind the line of the popping crease on the on-side and, inclusive of those 2, not more than 5 fieldsmen on the on-side.

17.8.2 Fieldsmen Within Restricted Area (All XIs)

- (a) Until the ball is delivered not more than 2 fieldsmen shall be outside the restricted area during the first 15 overs of an uninterrupted innings.
- (b) If the number of overs is adjusted because of adverse conditions during the innings of the side batting first, to less than 43 overs, (1st, 2nd & 3rd XIs) and 38 overs (4th XI), the overs subject to restrictions in (a) above, shall be as follows:-

ADJUSTED OVERS (1st, 2nd & 3rd XIs)	RESTRICTION OVERS
40 - 42	14
38 - 39	13

- (c) For the remaining overs to which (a) or (b) do not apply, no more than 5 fieldsmen shall be outside the restricted area.
- (d) Any restrictions implemented in accordance with this rule shall apply in both innings and shall not be changed for any later reduction of either side's overs.

17.9 No Ball (All XIs)

17.9.1 Fielding Restriction Infringements

Either umpire shall call and signal "No Ball" for infringements of P.R.17.8.

17.9.2 Fast Short Deliveries Above Shoulder Height of Striker

- (a) In any one over a bowler shall be permitted to bowl one fast short pitched delivery which, having bounced, passes or would have passed above shoulder height of the striker standing upright at the crease. Should there be a repetition in the same over either umpire shall call and signal “No Ball”.
- (b) Any fast short pitched delivery, not being a No Ball otherwise, which passes so high that it is not sufficiently within the striker’s reach for it to be hit by the bat with a normal cricket stroke, shall be called and signalled Wide by either umpire. Such a delivery shall be counted in the fast short pitched limit of one allowed in P.R.17.9.2 (a).

17.9.3 Dangerous and Unfair Bowling: Slow High Full Pitched Deliveries

The dangerous and unfair bowling provisions of Law 41 shall apply except that a slow high full pitched delivery above waist height of an upright striker, if considered not to have been deliberately so bowled, shall be called and signalled “No Ball” only. No cautionary and other action shall be taken.

17.9.4 Free hit after any no ball (1st, 2nd and 3rd XIs only)

- (a) The delivery following a No Ball (The Laws 21.5) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No Ball or a wide), then the next delivery will become a free hit for whichever batsman is facing it.
- (b) For any free hit, the striker can be dismissed only under the circumstances that apply for a No Ball, even if the delivery for the free hit is called wide.
- (c) **Field changes will only be permitted for free hit deliveries if a different batsman is on strike for the free hit delivery.**
- (d) The bowler’s end umpire will signal a free hit by (after the normal no ball signal) extending one arm upwards and moving it in a circular motion.

17.10 Wide Ball (All XIs)

17.10.1 Any delivery, not being a No Ball, with which the striker has not made contact, shall be called a Wide Ball if:

- (a) it passes to either side of the wicket so that the striker, whether moving from a normal stance at the crease or not, does not have a reasonable opportunity to score.
- (b) it passes outside the on-side of the striker’s pads and also outside the striker’s leg stump.
- (c) it passes above head height of the striker standing upright at the crease.

17.10.2 As a guide, a ball passing the striker on the off-side more than 75cm of the off stump shall be called a Wide Ball.

17.10.3 When a striker plays or prepares to play a switch hit or reverse sweep shot, the on-side Wide Ball interpretation is negated and the 75cm guideline shall apply on both the off-side and the on-side.

17.11 Notification to Captains

After each adjustment of an anticipated batting time the umpires shall inform both Captains of the reduced time and the effect on overs to be bowled, limitation for bowlers and fielding restrictions.

17.12 Calculation Table

17.12.1 Use of Table

- Calculations of overs for the purpose of this Rule shall be made from the table in P.R.17.12.2.
- Any fractional amount during the calculation of a batting time shall be rounded down to the next whole number.

RULE 18: OVER RATES - ONE-DAY GAMES (All XIs)

18.1.1 Minimum Overs Requirement

In each One-Day match a bowling side shall be required to bowl a minimum number of overs equal with the amount of on-field batting time hereinafter referred to as “**Actual Batting Time**”.

- 18.1.2 The required overs shall be the number listed on the table in P.R.17.12 in respect of an adjusted batting time calculated by aggregating the “**Actual Batting Time**” and deducting from this aggregate any allowances under P.R.18.2.2.

18.2 PENALTIES

18.2.1 Bowling Side: Penalty Assessment

If a bowling side bowls less than the number of overs required under P.R.18.1.1 been bowled, and shall advise this assessment in their Match Report.

The CEO shall maintain a register of reported sides (and shall advise such clubs after they have reached 5 then 10 penalty overs). Should the permitted allowance for the season of 15 overs be exceeded, a penalty of 0.1 points for each penalty over shall be deducted from that sides total match points. A team that reaches 16 Penalty Overs shall immediately have 1.6 points (16 x 0.1) deducted plus 0.1 for any additional Penalty Overs accrued throughout the remainder of the season.

18.2.2 Allowances for On-field Delays

The umpires are the sole judge of allowances for on-field delays. In determining penalties, the Umpires will take into consideration the actual time for injuries requiring treatment or assistance to leave the field, cricket ball replacement, time taken for drinks breaks (to a maximum of 3 minutes), adverse weather conditions, other on-field delays unrelated to time wasting and any wilful time wasting for which the batting side is to be penalised under PR 18.2.1.

18.2.3 Batting Side: Penalty Assessment

A batting side shall be penalized at the same rate per over as in P.R.18.2.1 for the number of overs relative to the amount of batting time wilfully wasted by it in the match.

18.2.4 Penalties shall not apply in an innings where a side is dismissed or where the side batting second passes the required score and the adjusted batting time taken did not exceed that listed in P.R.17.12 for the overs which would have applied to compulsorily close the innings.

18.2.5 The umpires shall be the sole judges of apportionment of Penalty Overs.

18.2.6 Notification of Infringements and Penalties

Within 15 minutes after the conclusion of the day's play, the Captain or representative from each of the competing clubs shall consult the umpires to ascertain if there are any player reports, over penalties or any other infringements of the Rules. The number of overs incurring a penalty and the apportionment to each side shall be noted in the space provided on the Umpires' Match Report Form.

18.2.7 Under no circumstances is the pitch to be rolled, watered or the ground to be mown during a day's play.

- Intervals between innings shall be of 25 minutes' duration. No drinks intervals are permitted.
- 19.3 **Length of Innings**
- Uninterrupted games
- Each team shall bat for 20 overs unless dismissed. If the team batting first is dismissed in fewer than 20 overs, the team batting second shall be entitled to bat for 20 overs. Strict adherence to P.R.18 (over rates) must be observed.
- 19.4 **Interrupted games**
- If a match is delayed or interrupted, 10 overs per side will constitute a minimum match requirement.
- 19.5 **Calculation of deciding score**
- Calculation of the target score for all XIs shall be in accordance with the procedure in PR 17.5.4 substituting "25 over" with "10 overs" in 17.5.4 (a) and 17.5.4 (b).
- 19.6 If the match is delayed or interrupted during the innings of the team batting first, the overs requirement shall be reduced by 1 over for each 4 minutes of time lost or part thereof.
- 19.7 The innings of the side batting first will be compulsorily closed after the completion of its entitlement overs. If the entitlement overs are not completed within the scheduled time, then the entitlement overs of the side batting second may be reduced by the number of full overs bowled after the scheduled completion time.
- Before any reduction in entitlement overs, the umpires must be satisfied any over bowled after the scheduled completion time was sole responsibility of the bowling side. Allowances must be made for injuries requiring treatment or assistance to leave the field, ball replacement, adverse weather effects, other on-field delays unrelated to time-wasting and any wilful time-wasting.
- The umpires shall be the sole judges as to whether the side batting second has its entitlement overs reduced.
- 19.8 If the side batting second receives less than 10 completed overs and no other result has been obtained, that match shall be drawn.

19.9 The Result

When there is no interruption after play has commenced and when both sides have had the opportunity of batting for the same agreed number of overs, the team scoring the higher number of runs shall be the winner.

19.10 Fielding Restrictions

- (a) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 27 metres. The semi-circles shall be linked by two parallel straight lines drawn on the field. The fielding restriction areas should be marked by continuous painted white lines or 'dots' at 7-metre intervals, each 'dot' to be covered by white plastic or rubber (but not metal) discs.
- (b) At the instant of delivery there shall not be more than five fieldsmen on the leg side.
- (c) Fieldsmen permitted outside the field restrictions circles
 - Overs 1 to 5, 2 fieldsmen
 - Overs 6 to 20, 5 fieldsmen
- (d) For the team batting first, in an interrupted match, the field restrictions will apply as follows:

Total Overs In Innings	No of overs for which restrictions apply
10-13	3
14-16	4
17-20	5

- (e) For the team batting second, where the number of overs is reduced, the aim will be to maintain the restrictions in P.R.19.10 (d) for the same proportion of the second innings as they were maintained for the first innings (fractions to be ignored).

19.11 Bowling Procedure (3rd & 4th XI's only)

- (a) Overs 1-5 are bowled from one end, overs 6-10 are bowled from the other end, etc.
- (b) At the end of each over, only the two batsmen change ends. Apart from the normal field position changes, the fieldsmen only change after each five over block. At the end of each five-over block, the batsmen remain at the same end.
- (c) No bowler shall bowl more than 4 overs in an innings.

19.12 Declarations

The captain of the batting side may not declare their innings closed at any time during the course of a match.

19.13 Free Hit after any No Ball

- (a) The delivery following a No Ball (Law 21.5) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No Ball or wide), then the next delivery will become a free hit for whichever batsman is facing it.

- (b) For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called wide.
 - (c) Field changes will only be permitted for free hit deliveries if a different batsman is on strike for the free hit delivery.
- 19.14.1 Any delivery, not being a No Ball, with which the striker has not made contact, shall be called a Wide Ball if:
- (a) it passes to either side of the wicket so that the striker, whether moving from a normal stance at the crease or not, does not have a reasonable opportunity to score.
 - (c) it passes outside the on-side of the striker's pads and also outside the striker's leg stump.
 - (d) it passes above head height of the striker standing upright at the crease.
- 19.14.2 As a guide, a ball passing the striker on the off-side more than 75cm of the off stump shall be called a Wide Ball.
- 19.14.3 When a striker plays or prepares to play a switch hit or reverse sweep shot, the on-side Wide Ball interpretation is negated and the 75cm guideline shall apply on both the off-side and the on-side.
- 19.15 **Law 31 - Timed Out**
- Law 31 will apply. Either the incoming batsman or their partner, whichever the circumstances of the match require, must be in position to take guard to be ready to receive the next ball within 1 minute 30 seconds of the fall of the previous wicket. The incoming batsman is expected to be ready near the boundary to make their way to the wicket immediately a wicket falls and is expected to jog to the wicket. The fielding team must appeal before a batsman can be given out 'timed out'.

RULE 20: INSTRUCTIONS TO UMPIRES

- 20.1 A condition of appointment of an umpire to the Umpires' Panel for any one season is that they join and pays the required subscription to the Umpires' Association.
- 20.2 Umpires shall advise both Captains 5 minutes prior to the scheduled start of play and then proceed to take up their positions at the wickets. Where an appointed umpire does not attend, or is rendered incapable of continuing their duties, a substitute umpire shall be forthwith elected by the Captains or acting Captains of the opposing teams. Where only one official umpire is in attendance he shall umpire the bowling from both ends.
- 20.3 Umpires shall, before play starts, put their watches into agreement.
- 20.4 For any interruption to play, caused through a closure of an innings, weather conditions, or from any other cause, (exception afternoon tea adjournment), the official time of lifting the bails by the umpires must be notified by them to the scorers immediately, or as soon as practicable thereafter.

Note: The length of any interruption in play, after the play has actually begun, shall be calculated by the umpires from the time they remove the bails after upholding an appeal, until the time they replace the bails and signal to the scorers, or, if no further play is deemed possible, then until the time fixed for play to cease under P.R.16 or P.R.17.

- 20.5 The umpire reporting for all games will be completed online via Play HQ and must be completed by 8 pm on the Monday following completion of a round.
- 20.6 No Balls and wides shall be recorded against the bowler and shall be counted in the match analysis and in the calculation of the Player's Bowling Average.
- 20.7 Any decision as to the correctness of scores shall be made in accordance with The Laws of Cricket Code (3rd Edition – 2022), Laws 2.15 & 3.2. In games where there is no official scorer, (2nd, 3rd & 4th XI's), the scores are to be cross-checked and confirmed at the conclusion of every over.
- Where there is a disparity between scores and the matter cannot be resolved satisfactorily by the umpires, they shall impound the score books and refer them to the Board.
- 20.8 As soon as a side has won outright the match is finished; nothing that happens thereafter, other than as a result of a mistake in scoring, shall be regarded as part of the match, though batsmen may be allowed to continue running, just in case there is an error in the scorebook.
- 20.9 Umpires must ensure the interval between innings does not exceed 10 minutes (Two-Day games) and that other intervals are restricted to the periods specified in the Rules. Umpires are required to report to the CEO every instance of time wasting observed in the match.

Rule 21 Player Conduct New Sections Re Level 1 - 4 offences

RULE 21: PLAYERS' CONDUCT

(Also refer to "Victorian Code of Community Sport" and "The Spirit of the Game / Player Behaviour")

This Rule shall also be deemed to apply to a club official or club member or supporter.

- 21.1 An umpire may report any player for misbehaviour. Wherever possible, and as soon as is practicable after the occurrence of the event to which a report relates, an umpire shall inform the player so reported, and the Captain of the player's team or an official of the club, of the report.

In making a Report, the umpires at the conclusion of the game must immediately outline full details of the misbehaviour and state the 'Level' of misbehaviour that has taken place, then lodge Report in writing with CEO by 9.00pm on that day. The four levels of misbehaviour are identified as Level 1, Level 2, Level 3 and Level 4.

For Level 1 and Level 2 reports against a player, the player can accept the prescribed penalty and thereby forego the need to attend an Investigation Committee hearing.

The player charged has until 6.00 pm on the following day to advise whether they will accept the 'Prescribed Penalty'.

Should a player decide that they wish to have the report considered by the Investigation Committee, then the CEO will arrange a hearing in accordance with Pennant Rule 21.7.

Level 1 offences: Prescribed Penalty: Maximum of 2 games as determined by Chair of Investigation Committee after consultation with committee members.

- A player who displays dissent (by word or action) at an umpire's decision.
- Deliberately disobeying an umpire's instruction.
- Expressing an audible obscenity directed at either the umpire, opposition player, club official or supporter.
- Expressing personal abuse directed at the umpire, opposition player, club official or supporter.

Standard Scheduled Start and Cessation Times are as follows:
First Session 5.30 pm – 6.45 pm
Interval 6.45 pm – 6.55 pm
Second Session 6.55 pm – 8.10 pm
Note: Start times may only be altered with the approval of the Captains and umpires or the Board
Intervals
Intervals between innings shall be of 10 minutes duration. No drinks intervals are permitted.
If no play is possible, or the match is a tie or no result, a 'Super Over' may take place (refer Rule 7.2 for details).
If no play is possible due to wet weather, the game will be abandoned and each club will be awarded 3 points.
- 5 Length of Innings
- 5.1 Uninterrupted games
Each team shall bat for 20 overs unless dismissed. If the team batting first is dismissed in fewer than 20 overs, the team batting second shall be entitled to bat for 20 overs.
If the bowling side fails to bowl its quota of 20 overs within the 75 minutes allocated, the bowling side will be penalised 8 runs for every whole over not completed within the allocated time. In applying the penalty the umpires can make allowances to the bowling side for injuries requiring treatment or assistance in leaving the field, ball replacement or any other on-field delays.

- 5.2 Interrupted games
If a match is delayed or interrupted 5 overs per side will constitute a minimum match requirement.
- 5.2.1 Calculation of the target score for all XIs shall be in accordance with the procedure in PR 17.5.4 substituting “25 over” with “5 overs” in 17.5.4 (a) and 17.5.4 (b).
- 5.3 If the match is delayed or interrupted during the innings of the team batting first the overs requirement shall be reduced by 1 over for each 4 minutes of time lost or part thereof.
- 5.4 The innings of the side batting first will be compulsorily closed after the completion of the over in progress at 6.45 p.m. or the completion of 5 overs whichever happens later. The team batting second shall be entitled to bat for only the same number of overs as bowled to the side batting first.
- 5.5 If the side batting second receives less than 5 completed overs and no other result has been obtained, that match shall be drawn.
- 6 Cricket Balls
The VSDCA branded ‘Kookaburra Club Match White Cricket Ball’ is the recommended cricket ball to be used in all T20 games. Clubs may use a ‘Kookaburra branded Regulation White Cricket Ball’ if they desire to do so.
Each club will supply their own cricket ball for all Rounds apart from the Final, where the cricket balls will be supplied by Kookaburra Sports.
- 7 The Result
- 7.1 When there is no interruption after play has commenced and when both sides have had the opportunity of batting for the same agreed number of overs, the team scoring the higher number of runs shall be the winner.
- 7.2 Super Over
In the event of a tie, a ‘super over’ will be played to determine the result.
- 7.2.1 Super Over procedures
Each team selects four batsmen, giving them three wickets for their Super Over. The team which batted second in the match, bats first in the Super Over, while the bowling team chooses the end to bowl from.
If the Super Over of both teams also ends in a tie, then a second Super Over is played.
If a winner cannot be determined after the completion of a second Super Over, the winner shall be decided by the combined number of boundaries scored throughout the two Super Over games.
- 7.2.2 Super Over not possible
If circumstances make the playing of a Super Over not possible, the match shall be declared a tie.
- 8 Semi-Finals and Final:
- 8.1 Venues for Semi-Finals and Final games will be determined by the Board.
- 8.2 If a result cannot be achieved in Semi-Finals or Final games, the Board will determine if the game is to be rescheduled.
- 9 Fielding Restrictions
- 9.1 Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 27 metres. The semi-circles shall be linked by two parallel straight lines drawn on the field. The fielding restriction areas should be marked by continuous painted white lines or ‘dots’ at 7 metre intervals, each ‘dot’ to be covered by white plastic or rubber (but not metal) discs.

- 9.2 At the instant of delivery there shall not be more than 5 fieldsmen on the leg side.
- 9.3 Fieldsmen permitted outside the field restriction circles
- Overs 1 to 5, 2 fieldsmen
 - Overs 6 to 20, 5 fieldsmen
- 9.4 For the team batting first, in an interrupted match, the field-restrictions will apply as follows:
- | Total Ovs
In Innings | No of overs for which restrictions
will apply |
|-------------------------|--|
| 5-6 | 1 |
| 7-9 | 2 |
| 10-13 | 3 |
| 14-16 | 4 |
| 17-20 | 5 |
- 9.5 For the team batting second, where the number of overs is reduced, the aim will be to maintain the restrictions in Rule 9.4 for the same proportion of the second innings as they were maintained for the first innings (fractions to be ignored).
- 10 Bowling Procedures & Slow Over Rate Penalty
- (a) Overs are to be bowled in 5 over blocks alternating between ends, i.e. overs 1-5 are bowled from one end, overs 6-10 are bowled from the other end, etc.
 - (b) At the end of each over, only the 2 batsmen change ends. Apart from the normal field position changes, the fieldsmen only change after each 5 over block. At the end of each 5 over block, the batsmen remain at the same end.
 - (c) No bowler shall bowl more than 4 overs in an innings.
 - (d) The fielding side is allocated 75 minutes to bowl its allotted 20 overs.
 - (e) The Umpires will strictly monitor time requirements (this will include 90 seconds for new striker to face next delivery), and advise fielding Captain after the completion of each 5 over block as to whether fielding side is meeting its time requirements. (Allowances are to be made for interruptions to play e.g. lost ball, injured player etc).
 - (f) If a fielding side fails to complete its 15 overs within the allotted time (57 minutes plus any allowances), it will be restricted to **4 fieldsmen** outside the field restriction circles for overs 16-20.
- 11 Declarations
- The captain of the batting side may not declare his innings closed at any time during the course of a match.
- 12 Free Hit after any No Ball
- (a) The delivery following a No Ball Law 21.5 (The Laws of Cricket 2017 Code (3rd Edition - 2022)) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No Ball or a wide), then the next delivery will become a free hit for whichever batsman is facing it.
 - (b) For any free hit, the striker can be dismissed only under the circumstances that apply for a No Ball, even if the delivery for the free hit is called wide.
 - (c) Field changes will only be permitted for free hit deliveries if a different batsman is on strike for the free hit delivery.
- 13.1 Any delivery, not being a No Ball, with which the striker has not made contact, shall be called a Wide Ball if:
- (a) it passes to either side of the wicket so that the striker, whether moving from a normal stance at the crease or not, does not have a reasonable opportunity to score.

- (b) it passes outside the on-side of the striker's pads and also outside the striker's leg stump.
 - (c) it passes above head height of the striker standing upright at the crease.
- 13.2 As a guide, a ball passing the striker on the off-side more than 75cm of the off stump shall be called a Wide Ball.
- 13.3 When a striker plays or prepares to play a switch hit or reverse sweep shot, the on-side Wide Ball interpretation is negated and the 75cm guideline shall apply on both the off-side and the on-side.
14. Fast Short Deliveries Above Shoulder Height of Striker
- (a) In any one over a bowler shall be permitted to bowl one fast short pitched delivery which, having bounced, passes or would have passed above shoulder height of the striker standing upright at the crease. Should there be a repetition in the same over either umpire shall call and signal "No Ball".
 - (b) Any fast short pitched delivery not being a "No Ball" under (a), which passes so high that it is not sufficiently within the striker's reach for it to be hit by the bat with a normal cricket stroke, shall be called and signalled "Wide Ball" by the umpire at the bowler's end.
15. Law 31 - Timed Out
- Law 31 will apply. Either the incoming batsman or his partner, whichever the circumstances of the match require, must be in position to take guard to be ready to receive the next ball within 1 minute 30 seconds of the fall of the previous wicket. The incoming batsman is expected to be ready near the boundary to make his way to the wicket immediately a wicket falls, and is expected to jog to the wicket.
16. Clothing
- Players shall be permitted to wear coloured clothing and or equipment as approved by the Board.
17. Instructions to Clubs
- 17.1 The Secretary of each club shall ensure that 11 players are allocated to their team in the Play HQ system by 8.00 pm on the night **prior** to the commencement of a game. Any club failing to comply shall be fined \$50 for each game of default.
- 17.2 The Secretary of the home club shall ensure that by 8.00 pm on the night of the **actual day's play**, the scores are entered online into the Play HQ system. Any club failing to comply shall be fined \$30 for each game of default.
- 17.3 The completion of scorecards in the Play HQ system is optional for T20 games **except for Semi-Final games and the Grand Final game**, where they must be entered by the nominated home clubs within 48 hour following the completion of the game and confirmed by the nominated away clubs within 72 hours following the completion of the game. Any club failing to comply shall be fined an amount to be determined by the Board.
18. Umpires
- 18.1 The Association shall appoint umpires for all games with the competing clubs sharing the cost of the umpires. All umpires must be registered VSDCA umpires and shall be properly attired as per Association requirements.
- 18.2 Umpires shall be appointed to games by the Umpires' Committee and paid an honorarium (an amount determined by the Board), unless the Board notifies in advance that the game

an Umpire has been appointed to will not to take place. All honorariums shall be paid by the Board

18.3 The umpires will submit Match Report in accordance with P.R.20.5. (Captains' Report on Umpires is not required.)

19. Covers

19.1 It is NOT compulsory to cover pitches on the evening prior to a T20 Twilight match, unless directed to do so by the Board. If such a direction is given by the Board, clubs on day prior to match shall conform to the following:

(a) Cover must be laid by sunset on the evening of the day prior to the match.

(b) One cover of a minimum size of 30 metres by 20 metres

(c) Pitch underlay material 25 metres by 2.5 metres (mandatory to be laid under covers on match pitch)

(d) Cover(s) to be pegged securely

19.2 In the event of inclement weather during a game, the decision to use covers is at the discretion of the umpires and, should such a decision be made, it is the responsibility of both teams to assist with the labour required in laying and/or removing the cover(s).

CA HELMET REGULATIONS

HELMETS ARE MANDATORY FOR JUNIOR CRICKETERS (THOSE UNDER 18 YEARS OF AGE), INCLUDING WHEN THEY ARE PLAYING SENIOR CRICKET.

In junior cricket helmets must be worn when batting and/or in certain circumstances when wicket-keeping. Helmets are not mandatory for junior cricketers while fielding, as junior cricketers are not permitted to field in close proximity to the batter i.e. within 10 or 15 metres of the batter depending on the junior format being played. CA recommends British Standard 7928:2013 compliant helmet be worn.

JUNIOR WICKET-KEEPERS (UNDER 18)

Helmets must be worn by all junior wicket-keepers when keeping up to the stumps. Association Administrators, club coaches, team managers, parents and other volunteers are also encouraged to consider mandating the use of helmets for junior wicket-keepers (even if 'standing back' to medium/fast bowlers) if there are concerns about the skill level of the wicket-keeper, bowlers and fielders. In many instances, the skill levels of the wicket-keeper, bowlers and fielders may still be developing and when combined with variable pitch/ground conditions it may place wicket-keepers at greater risk of receiving a facial/head injury from the ball.

SENIOR CRICKET

Cricket Australia also strongly recommends that all senior cricketers wear a British Standard 7928:2013 compliant helmet when batting, wicket-keeping up to the stumps and fielding in close (or in a zero reaction time position). In elite cricket a zero reaction time position is considered any position within 7 metres of the batter except any position behind square on the off side - therefore, if fielding at silly mid-off or short-leg you would need to wear a helmet, whereas you would not if fielding at gully or (regulation) slip to a spinner.

Suspect Bowling Actions

Suspect Actions Advisory Group (SAAG)

Cricket Victoria has established a procedure to specifically deal with suspect actions and they give approval for the VSDCA to follow the procedures as detailed below.

LEVEL 1:

In any VSDCA match, if there is a doubt, the first mention* is to be made by the umpire(s) to the VSDCA on a note, separate from the Match Report, naming the bowler and expressing what the concerns are. Upon receipt, contact will be made with the club Secretary/coach and ask the club to investigate the matter and take remedial action if necessary.

LEVEL 2:

If there is a second mention* (same process - umpire(s) make a separate report to the VSDCA), the bowler will then be requested to undergo a Bowling Unit analysis. The first session will be at the expense of Cricket Victoria. Further sessions are available, if desired, at the cost of the club or the individual. (The cost is \$100 per session). The bowler/club is provided with a video analysis and a report. At the analysis session a CV person will consult with the bowler on areas he can work on to rectify any problems he may have with his action.

There will be an 8 week "intervention period" following this analysis to allow remedial work to be undertaken. During this intervention period the player will be permitted to bowl in games.

Umpires will be advised of the player's situation.

(If there is any doubt* during this intervention period then the umpire(s) will continue to make a separate report to the VSDCA.)

Should the bowler/club decide not to co-operate or participate in this part of the procedure the player will immediately be classified as Level 4, and will be suspended from bowling for 12 months.

LEVEL 3:

Following the intervention period, at Level 2, should there be a further mention* the bowler will not be permitted to bowl in the VSDCA for a period of 8 weeks. This is to allow any remedial work to be continued, without the pressures of bowling in games.

LEVEL 4:

Following Levels 1, 2 & 3 if the bowler is mentioned* again, he will not be permitted to bowl in the VSDCA for a period of 12 months.

"The procedure is ongoing and players do not return to Level 1 each season. Each mention will progress the procedure, irrespective of time"

SUBSEQUENT MENTION:

If a player suspended from bowling at Level 4 resumes bowling after the specified suspension period, and is mentioned* again, he is immediately at Level 4 and suspension from bowling will apply forthwith.

***THIS ENTIRE PROCESS DOES NOT PRECLUDE ANY UMPIRE FROM CALLING A BOWLER FOR THROWING, AT ANY TIME, IF THE UMPIRE IS IN DOUBT.**

Throughout the process, clubs and coaches are to act in the best interests of the player and cricket in general with the overall welfare of the player and the game being the prime consideration.

Injury Code

1. Where a player or umpire during the course of a game, suffers an injury which causes bleeding, then the umpires shall decide that the player must immediately retire from the game until such time as First Aid has been administered to prevent further bleeding. He cannot resume playing unless:
 - (a) the bleeding has stopped; or
 - (b) the wound is securely covered.
2. A batsman who is injured and has temporarily retired under Clause 1, and who is unable to return after the fall of the ninth wicket, shall be deemed "Retired Hurt" and the innings of the batting team shall be deemed closed.
3. Where an injury occurs to a batsman involved in the tenth wicket partnership, a maximum of 10 minutes will be allowed in order to conform with Clause 1. Where this injury occurs within 10 minutes of the scheduled tea adjournment, tea shall be taken immediately with no extra time being added. If that batsman is unable to continue within the 10 minutes time limit, then he shall be deemed "Retired Hurt" and the innings of the batting team shall be deemed closed.
4. There shall be no reduction in the number of overs to be bowled when time is lost due to an injury.
5. All home teams shall provide a First Aid Kit to be available at the ground for the use of both competing teams. Such kit shall comprise, as a minimum standard: bandages, cotton wool, gauze, adhesive plaster, Band-Aids, closures, scissors, tweezers, anti-septic, disposable gloves, disposable plastic bags and ice-pack.
6. Penalty for not providing an adequate First Aid Kit - \$50.00.
